

Earthquakes and Wars Updates Judgement!

Mark 13:7 And when ye shall hear of wars and rumours of wars, be ye not troubled: for *such things* must needs be; but the end *shall* not be yet.

8 For nation shall rise against nation, and kingdom against kingdom: and there shall be earthquakes in divers places, and there shall be famines and troubles: these *are* the beginnings of sorrows.

An Iranian Volcano Appears to Have Woken Up 700,000 Years After Its Last Eruption

For centuries, the Taftan volcano in southeastern Iran was considered inactive; just another mountain in the desert. But recent evidence shows that something beneath it has started to shift.

Between July 2023 and May 2024, the ground near Taftan's summit rose by roughly 9 centimeters, according to a new study published in [Geophysical Research Letters](#). The finding marks the first clear sign of unrest at a volcano that last erupted about 700,000 years ago.

Trump: Mideast Ready for 'Heavy

Force' to 'Straighten Out Hamas'

The Middle East guarantors of Gaza peace are ready to "go into Gaza with a heavy force and 'straighten out Hamas,'" President Donald Trump declared Tuesday as Vice President JD Vance arrived to ensure the peace deal and ceasefire holds.

"Numerous of our NOW GREAT ALLIES in the Middle East, and areas surrounding the Middle East, have explicitly and strongly, with great enthusiasm, informed me that they would welcome the opportunity, at my request, to go into GAZA with a heavy force and 'straighten out Hamas' if Hamas continues to act badly, in violation of their agreement with us," [Trump wrote Tuesday on Truth Social](#).

"The love and spirit for the Middle East has not been seen like this in a thousand years! It is a beautiful thing to behold!"

Major 7.8-magnitude earthquake hits Drake Passage rocking roughest seas on Earth

Story by Cheyenne R. Ubiera

A massive 7.8 magnitude earthquake has hit the Drake Passage region in [South America](#).

The incident comes a month after a magnitude 7.5 [earthquake](#) struck the area. According to the German Research Centre for Geosciences, this most recent quake was at a depth of 6.21 miles.

At this time, there are no confirmed reports of damage or casualties, which is likely due to the isolated location of the quake.

Trump unveils peace plan to end Israel-Hamas war | Netanyahu joins White House talks

President Donald Trump has outlined a new peace plan aimed at ending the Israel-Hamas war. During a meeting at the White House with Prime Minister Benjamin Netanyahu, Trump detailed conditions for a ceasefire, hostage release, and a full IDF withdrawal from Gaza. The plan also includes the release of Palestinian detainees, the creation of an apolitical government in Gaza, and international efforts to rebuild the region.

Trump announced the formation of a Board of Peace, with former British Prime Minister Tony Blair among its members, pledging to ensure long-term stability in the Middle East.

Trump: No Reason to Meet Xi After 'Hostile' Letter

President Donald Trump said Friday that "there seems to be no reason" to meet with Chinese leader Xi Jinping as part of an upcoming trip to South Korea after China restricted exports of rare earths needed for American industry.

The Republican president suggested that he was looking at a "massive increase" of import taxes on Chinese products in response to Xi's moves.

"One of the Policies that we are calculating at this moment is a massive increase of Tariffs on Chinese products coming into the

United States of America," Trump [posted](#) on his Truth Social platform. "There are many other countermeasures that are, likewise, under serious consideration."

Putin: US Tomahawks to Ukraine Will Spark Defense Boost

Russia will respond by boosting its air defenses if President Donald Trump agrees to provide Tomahawk cruise missiles to Ukraine, President Vladimir Putin said Friday.

Putin made the assertion to journalists.

"Our response is to strengthen the air defense system of the Russian Federation," Putin said.
